

Counting Bears

You will need

- Paper
- Scissors
- Buttons (or something similar for counting with)
- Pen

1

Use the scissors to cut bear shapes out of the paper.

2

Write numbers on the bears (you could use dots as well)

3

Use the counters (buttons or whatever you choose) to match the quantity to the numbers

4

Can you make it harder? How high can your child count/match?
