

Elephant Handprints

You will need

- Paper
- Paints
- Paintbrushes
- Your children's hands

- 1 Let your child decide if they are making a normal elephant or an Elmer
- 2 Allow them to paint their hands however they want (even babies enjoy touching the paint!)
- 3 Print their hand onto a sheet of paper
- 4 When dry, draw on a tail and facial features
- 5 Can the whole family make one?
Now you have a family of elephants!
