

Space binoculars

You will need

- 2 x empty toilet roll tubes
- String
- Glue/Cellotape
- Stickers/sequins (anything you want to decorate with)
- Colouring pens/paints

1

Decorate your toilet roll tubes with paint, sequins, stickers etc

2

Stick the tubes together using Cellotape, or create an overlay as shown in the picture.

3

Make a small hole on the outside of both tubes.

4

Thread a piece of string through and tie the ends inside the tubes.

5

Go into the garden and search the skies for the moon and stars!
